FEATURES

FINE-TUNED FOR ACCURATE MONITORING

40 MM DRIVER UNITS

DURABLE, LIGHTWEIGHT BUILD

SNUG FITTING, SOFT EAR PADS

INTERCHANGEABLE STRAIGHT AND COILED CORDS

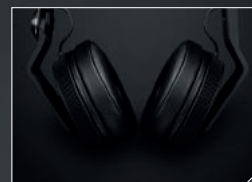

ROTATABLE RIGHT EARPIECE

AVAILABLE IN 4 COLOURS

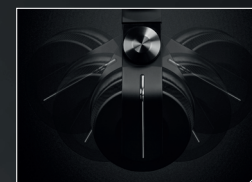

OPTIMISED FOR DANCE MUSIC

40 mm driver units and optimised audio circuitry ensure a rich, powerful bass and clear mid frequencies.

COMFORTABLE FIT OVER LONG PERIODS

Soft, textured polyurethane ear cups and sturdy headband for a snug fit.

ROTATABLE EARPIECE

Right earpiece rotates up to 60 degrees each way and the handy rubber grip makes it easy to put the cup back in position.

BUILT TO LAST

Rugged stainless steel headband and detachable side-mount cords.
